Schemes for power generation

1422. SHRI SHREEGOPAL VYAS: Will the Minister of POWER be pleased to state:

(a) whether an initiative for 50,000 MW power generation was launched by the Prime Minister in 2003;

(b) if so, the schemes for which the preliminary feasibility reports have been prepared, State-wise and capacity-wise; and

(c) the schemes planned to be taken up during the Eleventh and Twelfth Five Year Plan periods, State-wise?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a") Yes, Sir.

(b) The Preliminary Feasibility Reports (PERs) of 162 hydroelectric schemes have been prepared under 50,000 MW hydro-electric initiative. State-wise and capacity-wise list of these schemes is given in Statement-I *(See* below).

(c) None of the scheme under 50,00 MW hydro-electric initiative is proposed to be included in the 11th Plan. 32 schemes with installed capacity of 15,402 MW are tentatively proposed to be included in the 12th Five Year Plan. The list of these schemes tentiatively proposed to be included in 12th Plan is given in Statement-II.

Statement-I

PFRS under 50 000 MW Hydroelectric Initiative

Export of minerals

1423. SHRI GIREESH KUMAR SANGHI: Will the Minister of MINES be pleased to state:

(a) whether Government is regulating exports of major minerals, keeping in view the prevalent demand and supply situation in the country;

(b) if so, the complete details in this regard, the export of major minerals during the last three years;

(c) whether Government is considering to restrict the export of major minerals in view of demand of domestic consumption of captive industries like steel, power, cement, etc.; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF MINES (DR T. SUBARAMI REDDY): (a) and (b) Export of minerals is guided by the Export-Import Policy notified by the Ministry of Commerce and Industry from time to time. Details of total export of major minerals are given in Annual Report of the Ministry of Mines, available at the website of Ministry (http://mines.nic.in). The data on export for the year 2006-07 has not been finalised.

(c) and (d) Exports of these minerals are done after meeting domestic requirements. The export policy for these minerals is reviewed on a yearly basis.

Power generation targets

1424. SHRI O.T. LEPCHA: Will the Minister of POWER be pleased to state:

(a) whether Government has fixed any target for increasing the production capacity of power during the Eleventh Five Year Plan;

(b) if so, the details of the target; and

(c) the total amount of capital required to be invested for this purpose?
